Dear Sir/Madam,

**RE: APPLICATION FOR A JOB VACANCY**

I am pleased to register my utmost interest in the same. I am a Kenyan man aged 25 years, holding a degree in Bachelor of Science (Computer Science).

My professional background and experience is invaluable. My Database knowledge and computer skills are very good. I am tactful in my communication with staff of different cadres as may be dictated by the content of the communication. My written communication is fantastic and my organizational skills towards achieving time dependent goals are good. Also my programming skills are great in different languages. Having working at Jambopay as a web developer with PHP frameworks and Complunyx as a Support engineer with SQL DB makes me versatile and experinced in database and web apps

If given a chance to work for your organization, I would maximize my potential and at the same time be willing to learn so as to help the institution achieve its' set objectives. Enclosed herein, please find a detailed copy of my Curriculum Vitae as the first step in expressing my interest in working for your school. I would appreciate the opportunity to discuss my qualifications more extensively in an interview.

Yours faithfully,  
OSORO MICHAEL
